Basic Information for Greek Excellence

Reports for events are completed on-line through OrgSync.

Reports must be submitted no later than two weeks after the date of the event.

Events for spring semester are those that occur between January 1st and June 30th.

Events for fall semester are those that occur between July 1st and December 31st.

In order to be eligible for an Overall Award, you must have a minimum of Bronze in three of the Pillars.

Awards will be distributed at the annual Greek Awards Program in April.

Sub categories in grey are for the year, not semester

Some events do not require reports, see notations within the Pillars.
