Fraternity & Sorority Life Expansion Process

Fraternity & Sorority Life (FSL) at Georgia State University is vibrant and creates an exciting culture for campus life. Fraternity and sorority leaders and university administrators recognize the interest in expanding the Georgia State University FSL community. In order to effectively manage this expansion, the FSL Expansion Committee sets forth the following guidelines for interested organizations.

I. FSL Expansion Committee

A. Purpose of the FSL Expansion Committee: The FSL Expansion Committee is responsible for determining the readiness and need for expansion based on community trends (chapter size and health), university enrollment statistics, community needs and the best interest of Georgia State University students.

B. Membership of Committee:
   1. President or representative from each FSL Governing Council (Interfraternity Council - IFC, Multicultural Greek Council – MGC, National Pan-Hellenic Council – NPHC or Panhellenic Council – PC); hereafter referred to as Council
   2. FSL Staff Member
   3. Associate Director for Student Life – Atlanta Campus
   4. University staff member appointed by the Director for Programs and Student Life
   5. Director for Programs and Student Life or designee, ex-officio member

C. Definition of Expansion: Expansion involves inviting and facilitating inter/national fraternities and sororities to establish chapters on Georgia State University’s campus. Expansion is encouraged when a need exists or an inter/national fraternity or sorority requests to bring an additional social fraternity/sorority organization to campus and the addition of an organization is recommended by the IFC, MGC, NPHC or PC.

D. Duties of the FSL Expansion Committee:
   1. Assist Councils (IFC, MGC, NPHC and PC) in determining if their Council can support an additional Social FSL organization at the beginning of each calendar year
   2. Review the Expansion Packet from the inter/national organization and forward to the respective Council
   3. Attend the inter/national organization’s presentation to respective Council
   4. Receive Council recommendations about whether to accept or deny expansion to the inter/national organization
      a. If approved by the Council, submit recommendation to the Student Organizations office for approval to register on campus
      b. If denied, serve as appellate body if the inter/national organization appeals the Council’s original decision
   5. Review expansion policies annually or bi-annually
   6. Determine feasibility of university’s ability to support a new fraternity or sorority (using university trend data)

E. FSL Expansion Committee Standing Meetings: The Expansion Committee shall meet at least four times per year.
II. University Considerations for Expansion

A. The FSL Expansion Committee should consider the following information to make the decision on whether or not expansion is both desirable and feasible:
   1. Number of students participating in recruitment in relation to the number who end up joining (only for IFC and PC)
   2. Number of chapters and colonies on campus
   3. Number of active and new/associate members
   4. Average size of chapter memberships as well as the median number of members in all chapters
   5. Chapters and colonies currently experiencing membership problems and an assessment of projected measures to assist them
   6. University’s projection of enrollment trends

B. The FSL Expansion Committee will consult with the appropriate Council when making a decision to begin the Formal Expansion Process.

III. Minimum Requirements for a Fraternity or Sorority Seeking Expansion

A. Any organization seeking expansion must understand that NO PLEDGING CEREMONIES NOR INITIATIONS NOR INTEREST MEETINGS are to occur, until the group has received written notification from the university granting permission to become a fraternity or sorority at Georgia State University. An organization is not prohibited from identifying students interested in forming a new fraternity or sorority on campus.

B. Any organization seeking expansion must meet the Georgia State University’s definition of Social Fraternities and Sororities as outlined in the Student Code of Conduct: Social Fraternities and Sororities - An organization that exists to promote fraternal relationships and personal development; requirement for membership is not limited to a specific field of study, class year, or grade attainment beyond the typical grade requirement; members are not permitted to hold membership in other identified social fraternities or sororities at the University; the organization is affiliated with a(n) (inter)national organization; and the (inter)national organization has tax-exempt status under Section 501 of the Internal Revenue Code.

C. The organization seeking expansion is affiliated with a inter/national organization and is a current member of one of the following umbrella organizations: National Panhellenic Conference (NPC), National Pan-Hellenic Council (NPHC), National Multicultural Greek Council, Inc. (NMGC), National Association of Latino Fraternal Organization (NALFO), National Asian Pacific Panhellenic Association (NAPA) or North American Interfraternity Conference (NIC). Or, if the organization seeking expansion is not affiliated with the above named umbrella organizations, the organization must have an inter/national office supported by full-time staff members (or a national board) and at least 10 established chapters in the country at four-year institutions.

IV. Procedures for Informal Expansion (Petitioning Organization)

A. Complete and submit the Expansion Packet (see Appendix A).
   1. Packets reviewed for presentation in the fall semester must be received by March 1.
   2. Packets reviewed for presentation in the spring semester must be received by October 1.

B. The Director for Programs and Student Life, or designee, will review the Expansion Packet and
determine if the minimum requirements for a fraternity or sorority seeking expansion are met by the petitioning organization.

1. If all requirements are met, the Expansion Packet will be forwarded to the FSL Expansion Committee.
2. If the requirements are not met, the Director for Programs and Student Life will notify the petitioning organization that the Expansion Packet will not be accepted and explain what requirements were not met.

C. If the Expansion Packet is forwarded for review by the FSL Expansion Committee, the committee will consider the items outlined in Section II of this document. The FSL Expansion Committee will make one of the following decisions:

1. Expansion is neither desirable nor feasible at this time. The petitioning organization may reapply at a later date.
2. Extend an invitation to the petitioning group to give an on-campus presentation. This is not a commitment for expansion, merely an invitation to continue the exploration of expansion.
3. More information is needed before a decision can be reached.

D. If the petitioning organization is invited for an on-campus presentation, they will be notified and a date that is agreeable with all parties shall be determined.

1. The presentation shall include all those items in the Expansion Packet, excluding those noted with an asterisk (*).
2. The audience of the presentation shall consist of the FSL Expansion Committee, Executive Board of the Council, the voting delegates of all chapters which are a part of the Council, FSL staff members and any member of the campus community that wishes to be in attendance.

2. The Council’s favorable recommendation is not an invitation to expand.

G. FSL Expansion Committee Final Decision

1. The recommendation of the Council shall be given to the FSL Expansion Committee.
2. After reviewing all materials submitted and the recommendation of the Council, the petitioning organization may be given an invitation to expand. If so, the organization must follow the conditions for registering a new student organization as outlined in the Student Code of Conduct. If an invitation is not extended, the petitioning organization may reapply after one academic year.
3. The Vice President for Student Engagement and Programs and/or the Director for Programs and Student Life reserve the right to require specific conditions to be met in order to proceed with and/or maintain student organization recognition.
4. A petitioning group that is invited to expand has no longer than one semester to meet the minimum number of members for registered student organizations, as outlined in the Student Code of Conduct. If this requirement is not met, the group will have to re-petition.
V. Procedures for Formal Expansion

A. The FSL Expansion Committee will examine and determine the need for expansion and consult with the Council regarding Formal Expansion.

B. The FSL Expansion Committee will determine the number of organizations to be involved in the expansion plan based on need and resources. A timeline for Formal Expansion will be created.

C. The Director for Programs and Student Life, or designee, will contact those groups that have expressed interest and/or those groups with a history on the Georgia State University campus, notify them of the Formal Expansion and invite them to submit an Expansion Packet. Letters may also be sent to all groups that are members of the appropriate governing body(ies), who are not currently represented at Georgia State University.

D. The FSL Expansion Committee will review materials and determine the group(s) to be invited to on-campus meetings and a presentation. No more than five (5) groups may be invited to present. Those groups selected will be notified and a date that is agreeable with all parties shall be determined.

E. Meetings will be scheduled with the following groups: (1) FSL Expansion Committee, (2) university faculty and staff and (3) the respective Council.

F. The presentation shall include all those items identified on the Expansion Packet, excluding those noted with an asterisk (*). The audience of the presentation shall consist of the FSL Expansion Committee, Executive Board of the Council, the voting delegates of all chapters which are a part of the Council, FSL staff, and any member of the campus community that wishes to be in attendance.

G. Council Discussion and Voting
   1. Discussion of all presentations will be held at the Council meeting held after the last group’s presentation. The only individuals allowed in the room during discussion are: the voting delegates, Council officers and FSL Expansion Committee members.
   2. Voting may take place at the time of discussion or it may not take place until the next regularly scheduled meeting of the Council.

H. Council Recommendation
   1. The Council will vote on a recommendation to give the FSL Expansion Committee. The recommendation will consist of a list of the organizations, in preferential order, they would like to invite to expand on to campus. The list shall include at least one organization.
   2. The Council’s recommendation is not an invitation to expand.

I. FSL Expansion Committee Final Decision
   1. The recommendation of the Council shall be given to the FSL Expansion Committee.
   2. After reviewing all materials and the recommendation of the Council, an invitation to expand will be given to a minimum of one organization. If more than one is invited to expand, an expansion schedule will outline when each organization can begin expansion onto campus. An organization invited to expand must follow the conditions for chartering as outlined in the Student Code of Conduct.
   3. The Vice President for Student Engagement and Programs and/or the Director of Programs and Student Life reserve the right to require specific conditions to be met in order to proceed with and/or maintain student organization recognition.
   4. A fraternity or sorority that is invited to expand has no longer than one semester to meet the minimum number of members for registered student organizations, as outlined in the Student Code of Conduct. If this requirement is not met, the
organization will have to re-petition during the next appropriate Formal Expansion.
